To the Chairman and Members of the Weymouth Port Health Authority.

Mr. Chairman and Gentlemen,

In accordance with Article 17 (5) of the Sanitary Officers (Outside London) Regulations, 1935 and 1951, I have to submit for your information and consideration my Annual Report for the Year 1962.

The Minister of Health requires that this Report should be prepared on the lines indicated in Form Port 20 which was enclosed with Circular 33/52 dated 6th November, 1952. Form Port 20 states that the information required in Section 1, V, VI, VIII, XIV, XV and XVI - all marked with an asterisk - need not be repeated each year. This information was given in full in the 1960 Report and will be recapitulated in 1965 and thereafter quinquennially. For the intermediate years, only the changes which have occurred during the year covered by the Report need be mentioned in these Sections: if there has been no change, "NO CHANGE", should be entered.

It is again a pleasure to have this opportunity of thanking the Members of the Authority for their kindness and consideration, the Clerk for his ready co-operation and Mr. E.V. Abbey, Port Health Inspector, for his willing assistance at all times. I am also most grateful to the Divisional Marine Manager, British Railways, to Captain R.L. Joyner, Harbourmaster, and to the Officers of H.M. Customs for their continued help.

I have the honour to be

Your obedient Servant,
